Never Burn a Candle at Both Ends."
If you do your light will soon be gone
and you will be in the dark. Don't
burn your candle at both ends. Many
men burn their brains, nerves, stomach,
brain and muscles, without doing any-
thing to replace it. Hood's Sarsaparilla
gives nerve, mental and digestive
strength by enriching and vitalizing
the blood. Thus it helps people who
are overworked and tired.
When you do a good deed don't spoil
it by hounding through the newspaper
for a notice of it.
Freezing Weather in July
Would cause great discomfort and loss
but fortunately it is seldom known.
A vast amount of misery is caused at
this season, however, by impoverished
blood, poor appetite and general
debility. These conditions may be
remedied by enriching the blood and
toning the stomach with Hood's Sar-
saparilla. This medicine seems to put
new life into the whole physical sys-
tem, simply because of its wonderful
power to purify, enrich and vitalize
the blood, create an appetite and in-
crease the digestive functions. We
advise you to get a bottle and try it.
If you are not feeling just right, it
will do you more good than a six
week vacation. It is the best medi-
cine money can buy.
